Message from the College President....

It is my highest priority to provide a safe and secure campus environment for our students, employees and the public. We are committed to providing a learning environment that is secure and appropriate for higher education. If you, as a student, faculty member or staff member, have any concerns about your safety or the safety of classmates or staff, we encourage you to bring such concerns to my office or the campus Sheriff's department. It is important that we are aware of potentially dangerous situations, so that we can address them promptly and without incident.

We have a great team on campus. Our Sheriff's personnel and our campus administration are well-versed in campus policies and the law. They support a healthy campus culture and provide us with important information that keeps us protected in any number of situations. Do not hesitate to call on them if you need any assistance or see something suspicious. We need to be responsible for each other and everyone on campus.

We are committed to insuring that LA Trade Tech College serves as a safe and secure environment of higher education.

Dr. Kathleen Burke
President, Los Angeles Trade-Technical College

LATTC does not have any campus residences.

LATTC addresses security considerations in maintaining campus facilities in the following ways: The campus Sheriff's Station is continuously staffed with uniformed Sheriff Deputies and Security Officers;

lighting on all pathways and between buildings is checked and well maintained; LATTC adheres to strict compliance to all fire codes including all fire alarms, pull stations, and emergency lighting.

CAMPUS LAW ENFORCEMENT

Authority of the Los Angeles County Sheriff's Department

The LACCD contracts with the Los Angeles County Sheriff's Department to provide security services at LATTC. The Sheriff's Department has authority to apprehend and arrest individuals involved in illegal activity on campus and areas immediately adjacent to the campus. The Sheriff's Deputies are peace officers as defined in Penal Code section 830.1. The Sheriff's Security Officers are public officers as defined in Penal Code section 831.4, and have received training pursuant to Penal Code section 832.

Crimes occurring on campus are investigated by the Sheriff's Department. The prosecution of criminal offenses, both felonies and misdemeanors, occurs at the Los Angeles Superior Court (for violations of state law) or the United States District Court, Central District of California (for violations of federal law). Sheriff's Department personnel work as appropriate with local, state and federal law enforcement agencies, and have access to national crime databases.

The Sheriff's Department maintains a daily crime log of criminal incidents and alleged criminal incidents which are reported to the Sheriff's Department.

Accurate and Prompt Reporting of Crimes to Law Enforcement

To ensure the safety of everyone on campus, LATTC encourages the accurate and prompt reporting of crimes to the Sheriff's Department at (213) 763-3600 or walk in the office located on the ground floor of Cypress Hall (D-4-150).

Professional Counselors

A professional counselor whose official responsibilities include mental health counseling to members of the LATTC community and who is functioning within the scope of his/her license or certification is exempt from disclosing reported offenses to law enforcement, unless there is a legal obligation to disclose. Personal information from counseling records will not be revealed unless disclosure is required by law. (LACCD Board Rule 8302.10.) However, counselors may encourage victims to make a report to law enforcement.

PROGRAMS REGARDING SECURITY PROCEDURES AND PRACTICES

LATTC has a Crisis Response Team which discusses violence prevention on an annual basis, the Work Environment Committee has a Campus Safety Subcommittee that meets during the school year, as well as an Employee Assistance Program which discusses mental health issues on an annual basis. Additionally, LATTC encourages campus community safety through informational days held throughout the school year and providing information through the Sheriff's Office.

PROGRAMS REGARDING PREVENTION OF CRIMES

LATTC utilizes the expertise of the Los Angeles County Sheriff's Department to provide students and staff

with information about the prevention of crime. The campus Sheriff's team will hold a Town Hall type of meeting, open to all students and staff about safety and awareness in an effort to encourage students and employees to be responsible for their own safety and the safety of others. In these sessions the strategies to prevent crimes are discussed.

The Sheriff's Department and the college Counseling department, in conjunction with the College BIT team and the Sheriff's HEAT team hold seminar at least once each year to educated student and staff about what constitutes a sexual offense and what to do if a sexual offense occurs. This includes who to contact, how to preserve evidence, how should an alleged offense be reported, who is available to assist in case of an alleged offense, what can be done to change the victim's academic situation after an alleged offense occurs, the levels of disciplinary action that can be imposed on the alleged and/or finally determined perpetrator, both the accuser and the accused are informed of the outcome of any college disciplinary procedure as a result of the alleging of the sexual offense, information is available on written request to an alleged victim (or the victim's next of kin if the victim is deceased) of the results of any disciplinary hearing conducted against the alleged perpetrator of the offense.

MONITORING OF CRIMINAL ACTIVITIES OFF-CAMPUS

LATTC does not have recognized off-campus locations for student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off-campus. However, students engaging in criminal activities off-campus, in conjunction with college-sponsored activities, may be subject to disciplinary action by LATTC.

POLICY REGARDING POSSESSION, USE, AND SALE OF ALCOHOLIC BEVERAGES AND ILLICIT DRUGS

The LACCD is committed to drug-free and alcohol-free campuses. Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the District or colleges of the District.

<http://www.justice.gov/dea/druginfo/ftp3.shtml>

The federal Controlled Substances Act is available at:
<http://www.deadiversion.usdoj.gov/21cfr/21usc/index.html>

(ii) For the purposes of this definition—(A) Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. (B) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. (C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. (34 C.F.R. § 668.46.)

Violations of the LACCD's Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct Policy may also be criminal offenses under California law. The definitions of dating violence, domestic violence, sexual assault, and stalking under the California Penal Code are included in **Appendix A** at the end of this report.

The LACCD's Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct Policy uses the following definitions:

- **"Dating Violence"** is included in Intimate Partner Violence, below. (C-14, Section II.I.)
- **"Domestic Violence"** is included in Intimate Partner Violence, below. (C-14, Section II.M.)
- The term **"Intimate Partner"** refers to a person with whom one has or had a close personal relationship that may be characterized by some or all of the following: the partners' emotional connectedness, regular contact, ongoing physical contact and sexual behavior, identity as a couple, and familiarity with and knowledge about each other's lives. Intimate Partner relationships include current or former:

- spouses (married spouses, common-law spouses, civil union spouses, domestic partners)
- boyfriends/girlfriends
- dating partners
- ongoing sexual partners

Intimate Partners may or may not cohabit. Intimate Partners can be opposite or same sex. If the Alleged Victim and the Respondent have a child in common and a previous relationship but no current relationship, then by definition they fit into the category of former Intimate Partners. (C-14, Section II.R.)

- **“Intimate Partner Violence”** refers to behavior involving physical force or intimidation of such force, intended to hurt, damage, or kill an Intimate Partner, as defined above; this frequently arises in the form of Sexual Misconduct. (C-14, Section II.S.)
- **“Sexual Misconduct”** refers to non-consensual sexual activity, where clear, knowing, and voluntary Consent, as defined herein, both prior to and during the sexual activity is absent. Sexual misconduct includes “sexual harassment” as that term is defined herein.
 1. Sexual Misconduct offenses include but are not limited to Non-Consensual Sexual Intercourse, defined as
 - a. Any sexual penetration or intercourse (anal, oral, or vaginal)
 - b. However slight
 - c. With any object
 - d. By a person upon another person
 - e. That is without Consent and/or by force
 - f. Sexual penetration includes vaginal, oral or anal penetration by a penis, tongue, finger or object, or oral copulation by mouth or genital contact, or genital to mouth contact.
 - g. Non-Consensual Sexual Intercourse includes but is not limited to rape, forced sodomy, forced copulation, or rape by foreign object.
 2. Sexual Misconduct offenses also include Non-Consensual Sexual Contact, defined as
 - a. Any intentional sexual touching
 - b. However slight
 - c. With any object
 - d. By another person upon another person
 - e. That is without Consent and/or by force.
 - f. Sexual touching includes any bodily contact with the breasts, groin, genitals, mouth or other bodily orifice of another individual, or any other bodily contact in a sexual manner.
 - g. Non-Consensual Sexual Intercourse includes but is not limited to sexual battery or threat of sexual assault.
 3. In addition to those acts specified above, Sexual Misconduct also specifically includes Sexual Harassment, Stalking, Dating Violence, Domestic Violence, and Intimate Partner Violence. (C-14, Section II.DD.)
- **“Sexual Violence”** refers to a forceful physical sexual act that is committed or attempted by another person without freely given Consent. (C-14, Section II.GG.)
- **“Consent”** when used regarding Sexual Misconduct matters refers to a mutual honest, direct agreement. Consent is never implied and cannot be assumed, even in the context

of a relationship.

1. Consent must be:
 - a. Informed (knowing)
 - b. Voluntary (freely given)
 - c. Active, (not passive)
 - d. By clear words or actions, with regard to agreed-upon (sexual) activity, and
 - e. Must indicate permission to engage in mutually agreed upon (sexual) activity.
 - f. It must also be continuous throughout the sexual interaction.
 2. Consent cannot be the result of:
 - a. Force,
 - b. Physical Violence,
 - c. Threats,
 - d. Intimidation,
 - e. Coercion, including consideration of frequency, intensity, isolation and duration, or
 - f. Incapacity as a result of drugs, alcohol, sleep, mental or cognitive impairment, injury, or other condition, which was or should have been known to the accused. Intoxication of the assailant shall not diminish the assailant's responsibility for sexual assault or sexual misconduct.
 3. The absence of "No" does not mean "Yes". (C-14, Section II.H.)
- **"Stalking"** refers to a course of conduct (two or more acts), directed at a specific person, on the basis of actual or perceived membership in a protected class that is unwelcome, and would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress. Stalking is defined as the repeated following, watching, and harassing of another person. Stalking may include legal, appropriate behavior such as sending someone flowers or waiting outside someone's workplace for her/him to appear. However, when these acts are coupled with an intent to instill fear or injury, they may be part of a pattern of stalking behavior. (C-14, Section II.HH.)

Some safe and positive options for bystander intervention include the following:

Be an Engaged Bystander

The only person responsible for committing sexual assault is a perpetrator, but all of us have the ability to look out for each other's safety. Whether it's giving someone a safe ride home from a party or directly confronting a person who is engaging in inappropriate behavior, each of us can make a difference in ending sexual misconduct on campus and in our communities.

BYU encourages all members of the campus community to be engaged bystanders—persons who intervene in a positive way before, during, or after a situation or event in which they see or hear behaviors that promote sexual misconduct in any of its forms. A bystander is a person who is present when an event takes place but isn't directly involved. Bystanders might be present when sexual assault or abuse occurs—or they could witness the circumstances that led up to these crimes. Through positive bystander intervention you can make a difference in other people's lives.

How to Intervene: C.A.R.E.

Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, and overcoming barriers to intervening. It's important to be aware of what's going on around you and behavior that seems out-of-place or concerning. We can all make the decision that we have a responsibility to help when we observe trouble and then choose positive and safe

ways to intervene.

There is no single “right” way to intervene, and what is appropriate depends on the situation and the individuals involved. Here are four basic steps you can take to be an engaged bystander when a harmful event is occurring. All it takes is for you to **C.A.R.E.!**

Create a Distraction

Do what you can to interrupt the situation. A distraction can give the person at risk a chance to get to a safe place.

Cut off the conversation with a diversion like, “Let’s get pizza, I’m starving,” or “This party is lame. Let’s try somewhere else.”

Bring out fresh food or drinks and offer them to everyone at the party, including the people you are concerned about.

Start an activity that is draws other people in, like a game, a debate, or a dance party.

Ask Questions

Talk directly to the person who might be in trouble.

Ask questions like “Who did you come here with?” or “Would you like me to stay with you?”

Refer to an Authority

Sometimes the safest way to intervene is to refer to a neutral party with the authority to change the situation, like an RA or security guard.

Talk to a security guard, bartender, or another employee about your concerns.

It’s in their best interest to ensure that their patrons are safe, and they will usually be willing to step in.

Don’t hesitate to call 911 if you are concerned for someone else’s safety.

Enlist Others

It can be intimidating to approach a situation alone. Enlist another person to support you.

Ask someone to come with you to approach the person at risk. When it comes to expressing concern, sometimes there is power in numbers.

Ask someone to intervene in your place. For example, you could ask someone who knows the person at risk to escort them to the bathroom.

Enlist the friend of the person you’re concerned about. “Your friend looks like they’ve had a lot to drink. Can you check on them?”

LATTC provides the following information regarding risk reduction:

Sexual violence can happen to anyone. Although there is no infallible method to prevent sexual assault, taking precautions may help reduce your risk of victimization. Consider the following safety tips:

Awareness:

Stay alert and attuned with your surroundings. Do you walk with headphones and music? Do you walk with your head down as you are texting?

Confidence:

Send the message that you are calm, confident, and know where you’re going. Look people in the eye. Let them know you see them. Keep your head up and keep good posture.

Intuition:

Trust your intuition. If someone or something makes you feel uneasy, avoid that person or leave the situation.

Alcohol:

Alcohol plays a role in many sexual assaults on college campuses. When drinking, do not accept drinks from anyone if you did not see them prepared. Don’t leave your drink unattended. Don’t drink from punch bowls or open containers.

Date Rape Drugs:

Certain drugs are sometimes used to facilitate a sexual assault. Drugs, such as rohypnol, GHB, and ketamine, can be slipped into a person’s drink. These drugs often have no color, taste, or smell, so they can be difficult to detect. They can weaken and confuse a person, as well as affect memory. For full details on date rape drugs, visit

the Office on Women's Health Date Rape Drugs Fact Sheet.

Buddy System:

When at parties, bars, or out late at night, arrange a buddy system with a friend and watch out for each other. Make a plan with your friend or friends before you go out.

Material Objects:

If you are threatened and the assailant is after your purse, necklace, or car, give it to him. No material object is worth risking your life over.

Isolation:

If you are in a public place and a predator attempts to abduct you with a weapon, do not go. If he is willing to kill you in public, then he is certainly willing to kill you in isolation.

If you are isolated against your will, though, feign compliance until a clear escape opportunity presents itself. Once you see that moment of opportunity, make your move and escape.

LATTC provides the following ongoing prevention and awareness campaigns for all current students and employees. This will include timely and visible campus notifications on bulletin boards in high traffic areas on campus. It will be included on campus social media where appropriate.

Requesting Changes to Academic, Transportation, and Working Situations or Protective Measures

LATTC will provide a victim written notification to victims about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures.

LATTC will comply with a victim's request for an academic situation change following an alleged offense, if such changes are reasonably available, and regardless of whether the victim chooses to report the crime to campus law enforcement. For example, LATTC may, consistent with Board policy, provide the option of taking a "withdrawal" or an "incomplete" grade.

The College President or his/her designee shall refer an Alleged Victim to the Title IX Coordinator if he/she experiences academic difficulties as a result of the sexual assault. The Title IX Coordinator, in cooperation with the Vice President of Academic Affairs and/or Student Services may provide temporary sanctions to alleviate the immediate impact of the sexual assault. The President shall also refer a non-student Reporting Individual to the Title IX Coordinator for assistance with workplace or immediate difficulties that may arise. (C-14, Section IX.C.)

Temporary sanctions shall be implemented by the Title IX Coordinator, as required to separate the Alleged Victim and Respondent. Such temporary sanctions may include moving one party to another section of the same class or to a different online location, providing the Alleged Victim with an escort across campus, or permitting the Alleged Victim to take exams in a different location from the Respondent and/or alleged offender and any similar action(s) intended to separate the parties and reduce the stress on them arising from the incident and allegations. (C-14, Section IX.D.)

Procedures for Disciplinary Action for Cases of Alleged Dating Violence, Domestic Violence, Sexual Assault or Stalking

Complaints regarding dating violence, domestic violence, sexual assault or stalking at LATTC should be directed to the Title IX Coordinator; such complaints are investigated by the District's Office for Diversity, Equity and Inclusion.

A Compliance Officer shall complete an investigation and make a written report to the College President in 60 days. (C-14, Section X.A.) The College President shall send a summary of the

Compliance Officer's report to the parties, and the Alleged Victim and Respondent have a right to make an oral statement to the College President within 15 days of receipt of the summary of the report. (C-14, Section X.B.)

The College President shall send a Written Decision to the parties. The Alleged Victim or Respondent may appeal within 15 days of the date of the Written Decision. The District's Board of Trustees may review the matter and act within 45 days; if 45 days have elapsed without action by the Board of Trustees, the Written Decision is considered the final District decision. In cases not involving employment, there is also a right to file a written appeal to the State Chancellor within 30 days after the final District decision is issued by the Board of Trustees, or the 45-day period has elapsed. (C-14, Section XI.)

If discipline is to be taken, the College President or his/her designee shall initiate the applicable disciplinary process within ten (10) business days of issuing the Written Decision, or, for good cause, as soon thereafter as is practical. (C-14, Section XII.)

Disciplinary Action for Students

Complaints involving dating violence, domestic violence, sexual assault, and stalking perpetrated by a student may be filed with the Title IX Coordinator. After the investigation by the Office for Diversity, Equity and Inclusion, and subsequent Written Decision by the College President, LATTC may initiate student discipline consistent with the procedures for campus disciplinary actions in LACCD Board Rules, Chapter IX, Article XI ("Student Discipline"), available in its entirety at:

<http://www.laccd.edu/Board/Documents/BoardRules/Ch.IX-ArticleXI.pdf>

The Chief Student Services Officer or designee initiates student discipline appropriate to the misconduct, by sending a Notice of Charges and proposed disciplinary action. (Board Rule 91101.12.) Pending the conclusion of the disciplinary process, the Chief Student Services Officer or designee may also immediately suspend a student from all District locations in emergency situations to protect lives or property and/or to ensure the maintenance of order. (Board Rule 91101.11.)

For proposed suspensions less than 10 days, the accused may request a hearing before the Chief Student Services Officer or designee. The hearing before the Chief Student Services Officer or designee is scheduled within ten (10) days of the request. The Chief Student Services Officer or designee provides written notice of his/her decision within five (5) days of the hearing, and that decision is final. (Board Rule 91101.13.)

For proposed suspensions greater than 10 days or expulsions, the accused may request a hearing before a disciplinary hearing committee. The hearing before the committee is scheduled within ten (10) days of the request. The hearing committee issues its recommendation to the College President within five (5) days of the hearing. (Board Rule 91101.14.)

Within ten (10) days after receipt of the committee's recommendation, the College President issues his/her decision. If the College President's decision is to suspend a student, the decision is final. (Board Rule 91101.15.) If the College President's decision is to recommend expulsion to the District's Board of Trustees, the accused may submit an appeal of the College President's recommendation within five (5) days. (Board Rules 91101.15, 91101.16.) The College President's recommendation (and the appeal, if any) shall be immediately transmitted to the Chancellor. If the Chancellor does not accept the President's recommendation for expulsion, the matter is returned to the college for further action. If the Chancellor accepts the President's recommendation for expulsion, the expulsion matter is scheduled for consideration for the Board of Trustees at any regularly scheduled meeting held within 30 days of the Chancellor's receipt of the recommendation. The Board of Trustees may confirm, modify, remand, or reject the Chancellor's recommendation, but the Board's action is final. (Board Rule 91101.17.)

Disciplinary Action for Employees

If the alleged perpetrator is a District employee, disciplinary action shall be pursued in accordance with state law, the LACCD Board Rules, the LACCD Personnel Commission, and/or any applicable collective bargaining agreement or memoranda of understanding. (C-14, Section XII.C.)

Standard of Evidence Used

The LACCD uses a “preponderance of evidence” standard. (C-14, Section XI.B.1.)

Possible Sanctions Following a Disciplinary Proceeding for an Allegation of Dating Violence, Domestic Violence, Sexual Assault or Stalking

Possible sanctions following a student disciplinary hearing include warnings, probation, suspension or expulsion from all of the District’s colleges. (C-14, Section XII.D.)

Disciplinary action against employees shall include verbal warnings, letters of reprimand, notices of unsatisfactory service, suspensions, demotions, or dismissals. (C-14, Section XII.C.)

Range of Protective Measures That May Be Offered to Victims Following an Allegation of Dating Violence, Domestic Violence, Sexual Assault or Stalking

Temporary sanctions shall be implemented by the Title IX Coordinator, as required to separate the Alleged Victim and Respondent. Such temporary sanctions may include moving one party to another section of the same class or to a different online location, providing the Alleged Victim with an escort across campus, or permitting the Alleged Victim to take exams in a different location from the Respondent and/or alleged offender and any similar action(s) intended to separate the parties and reduce the stress on them arising from the incident and allegations. (C-14, Section IX.D.)

A Prompt, Fair, and Impartial Process

Proceedings arising from an allegation of dating violence, domestic violence, sexual assault or stalking will include a prompt, fair, and impartial process from the initial investigation to the final result.

Proceedings will be conducted by officials who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. The Title IX Coordinator is responsible for organizing training opportunities for administrators and other employees regarding Title IX sexual misconduct issues. (C-14, Sections III.A.4, III.B.2.)

The accused and accuser may have others present during a campus disciplinary hearing.

In cases of domestic violence, dating violence, sexual assault and/or stalking, all parties (Respondent and Alleged Victim) must receive the same notifications, mailed at the same time, regarding all steps of the disciplinary process. They must all be given equivalent rights to be heard and access to an Advocate. All parties must be notified that disciplinary action is being taken, with specific details sufficient to ameliorate concerns of the person who was the object of the violations, subject to legal and District limitations related to the privacy of the parties. (C-14, Section XII.B.) (An “Advocate” is someone trained by a Title IX coordinator, and an Advocate’s assistance can include providing moral support as well as information regarding procedural issues, throughout the pendency of an investigation, through the last internal appeal. (C-14, Section II.A.)

When a student or employee reports to LATTC that he/she has been a victim of dating violence,

domestic violence, sexual assault or stalking, whether the offense occurred on or off campus, LATTC will provide the student or employee a written explanation of the student's or employee's rights and options.

INFORMATION REGARDING SEX OFFENDERS

Registered sex offenders must register with campus law enforcement within five working days of commencing enrollment or employment at LATTC. (Penal Code section 290.)

Information regarding registered sex offenders may be obtained at the California Department of Justice, Office of Attorney General's "Megan's Law" website at: <http://www.meganslaw.ca.gov/>

If you are doing a search on the Megan's Law site for sex offenders residing in the local area, LATTC's zip code is 90015.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

The College President or other designated administrator will make the determination of confirming whether an emergency exists, and when and how the emergency response plan will be executed. Notification is initiated by the Public Relations office.

LATTC will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

The entire campus community will be notified when there is a potential that a very large segment of LATTC is threatened. The College President or other designated administrator will reassess the situation to determine whether additional notifications or updates need to be made.

In the event of a campus emergency, where it is necessary to notify students and staff of impending danger or critical information, LATTC has developed a protocol to engage as many students and staff as possible, in the shortest amount of time. It is important that all current technology and communication modes be used to widely distribute the information as quickly as possible. Coordination with the President's Office, the campus Sheriff's Office, district personnel, and Public Relations needs to be immediate and ongoing.

Below is our roll-out communication checklist for critical information:

- **Email blast.** An LATTC_ALL message is sent out to all faculty and staff.
- **What's App:** Group app allows to send and exchange messages to employees who have placed the app on their phones, and will be used in the event of an emergency.
- **Screen messages.** Aspen Hall, Juniper Hall, Magnolia Hall, and Mariposa Hall have programmed video screens on most floors. A message is developed and placed on those screens electronically and left as a stagnant item.
- **School Messenger.** Our phone software allows us to send a recorded message, an e-mail, or phone message to all students. Text message can be sent to those students and staff who have opted into the system with their phones.
- **IP Messenger.** Our phone system also has the capability of delivering an audio message using every phone on campus (these phones are located in every classroom and office on campus). The recorded message plays through the phone's audio system, and can be heard throughout an entire classroom. It also interrupts those people talking on the phone at the time the message is sent out. The same message can be programmed to repeat several times at various hours.
- **Website News post or Message.** The message should remain very visible to anyone visiting the campus website, and it should be updated periodically throughout the emergency or critical period. The website also allows for blog entries so others can ask questions and gather more information.
- **Messages on Facebook and Twitter.** Social media is engaged because many of our students ONLY receive information from these sources. Short messages are developed and placed without raising alarm. Again keeping people updated.
- **Flyers.** The message is placed on a one-sheet, and distributed to every mailbox on campus. This is especially important for adjunct faculty. Flyers are also distributed from places such as the Bridges to Success Center, Admissions & Records, Financial Aid and Counseling - places where students congregate.
- **Signage.** Placed in areas of high traffic and closed entrances or buildings. Other areas to be coordinated with the Sheriff's office and other campus departments.

Testing of Procedures

LATTC conducts both announced and unannounced tests of its emergency response and evacuation procedures. The tests typically occur during the annual California Great Shakeout exercise, and the annual Campus Lockdown exercise. The Environmental Health and Safety Office and the campus Sheriff's Office will monitor all announced tests of its emergency response and evacuation procedures.

LATTC publicizes its emergency response and evacuation procedures by: 1. The posting of emergency procedures in each classroom. 2. The posting of emergency response and evacuation procedures on the LATTC website. 3. Providing emergency information in our School Catalog. 4. Providing other emergency notifications and procedures through Email blast or through School Messenger.

LATTC will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced. Copies of test documentation are available from Environmental Health and Safety Office.
