Justification for Grade Change

The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetency. The removal or change of an incorrect grade from a student's record shall only be done upon authorization by the instructor of the course. **Grade Change Petitions must be submitted within one year after the grade was assigned.** In the case of fraud, bad faith, or incompetency, the final determination concerning removal or change of grade will be made by the College President or designee.

Attach copies of any documents that prove there was a discrepancy between the instructor's stated grading system (listed on class syllabus) and the grade you received. If you are requesting a grade to be changed to a "W", attach proof that you attempted to drop your class before the college deadline. Remember that it is the student's responsibility to drop a course before the listed deadline.
